

Meeting Notice

May 31- “A Selective History of the Forests and Wood Construction in the US”

Please join us for "A Selective History of the Forests and Wood Construction in the US" by Erik Nelson, PE of Structures Workshop. He is far from a history buff but he will be drawing upon three fascinating books he read recently on the subject. The subjects will include types of forests used in construction over the last couple centuries as well as the industrialization of the wood process, why and where things developed, hardwood vs softwood use in New England, some innovators and innovations in design and use, etc.

DATE: May 31, 2017

FEE: Free to SEARI members or join at the door for \$60.00/year (includes 4-5 events/year + Structure Magazine) (A special single meeting fee of \$10 for prospective members will be accepted)

TIME: 4:45 p.m. – 6:00 p.m.
