

Meeting Notice

November 6th – Steel Design Tips for Shop & Field

Please join us for a presentation on steel design from the fabricator/erector's perspective. Chad Morrison, P.E. has over 17 years of experience with Berlin Steel. He will discuss the fabricator's role in design, tips on value engineering for the shop, and safety by design for the field. Recent and past projects will be highlighted including current work on the Philadelphia Museum of Art.

DATE: November 6, 2018

TIME: 4:45 p.m. – 6:00 p.m.

LOCATION:

Office of Structures Workshop

DIRECTIONS AND PARKING INFORMATION

[18 Imperial Place](#) is located in the Jewelry District of Providence. Structures Workshop is located in the Courtyard between two buildings (across from the CAV Restaurant) There is **free parking** in the parking lot across the street (ignore the parking attendant office)

FUTURE EVENTS

We are currently developing our 2019 event schedule. Please contact Bill Porter if there are any particular topics you would like pursued or if you are interested in presenting. Please note that SEARI meetings provide continuing education hours in most jurisdictions, and developing & presenting a course can usually be counted as 2X the attendee PDH hours.
